DONATIONS

Needs, Inc., a non-profit organization, provides basic necessities to those residents of Laramie County in need. Our primary focus is food security, but we also provide clothing, housewares, linens and school supplies to students from kindergarten to college. We also provide referrals to other human service agencies in Laramie County for assistance with services not offered by Needs, Inc.

*Needs, Inc. depends strongly on donations from members of the community
who wish to help their less fortunate neighbors.*
